

ARIZONA WIC ALERT

Volume 16, Issue 7

April 2006

UPDATED FOOD LIST

The Arizona WIC Programs Food List has been revised to reflect recent changes made to the Programs' authorized juice products. The December 2005 and March 2006 Arizona WIC Alerts outlined information regarding the changes. The enclosed copies of the revised food lists will replace all food lists that you currently have in your possession, i.e., at your registers, etc. Please discard all old food lists as soon as possible to reduce any possible confusion among your staff. The food list changes are as follows:

- **Donald Duck Grapefruit Juice in the 12-ounce frozen container is no longer pictured.**
Florida's Natural Growers has discontinued the production of the Donald Duck Grapefruit juice in the 12-ounce frozen container. You may continue to sell the product to WIC customers until the current shelf supply and back stock are gone.
- **Dole Pineapple Mango Juice is WIC authorized and pictured.**
The Dole Pineapple Mango Juice in the 46-ounce can has been authorized and added to the food list by the Arizona WIC Programs (Arizona, Inter Tribal Council of Arizona, Inc., and Navajo Nation).
- **Nestle Juicy Juice Grape and White Grape Juices are pictured.**
Nestle implemented a label change to incorporate the company name in their product descriptor. The label for "Libby's" Juicy Juice, now reads "Nestle" Juicy Juice. Please allow WIC customers to purchase the Juicy Juice Grape and White Grape juice with either label until the conversion is completed and your shelf supply and back stock reflects only the new label.

The Arizona WIC Programs Food List is currently available in English, laminated or folded. A small supply has been enclosed. Also, enclosed is a copy of the Arizona WIC Program Vendor Order Form. If you need food lists or any other item, please complete the order form and fax it to (602) 542-1890.

A customer not served is a customer not deserved. Ron Kaufman
